MONOLOGUE: 1

Female explains her lack of intimacy to boyfriend.

FEMALE 1

This restaurant is nice, babe.

Takes a drink

FEMALE 1 (CONT'D)

Ohhh, this drink is strong. I'm feeling tipsy already.

(Smiles)

I wonder sometimes if I deserve a good man like you. You're so patient with me and accommodating. I'm just going through a lot with school right now and sex is the last thing on my mind. Maybe it's all the stress with finals coming up. Thank you for being so understanding.

(Condensing)

You're such a good guy.

MONOLOGUE: 2

Boyfriend voices his frustration with girlfriend's lack of intimacy.

GUY 1

Wow, you're really trying to flip this. We haven't had sex in two months, I'm bringing it up and you're making it seem like I'm being unreasonable. Shit, I think it's disrespectful to be my girl and holding your pussy hostage. If I sleep with some other chick just to get my nut off, I'm the bad guy.
